Dear Mr. Pratt:

On behalf of the Safe Routes to School (SRTS) Program, it is a pleasure to inform you that the application for the Grant Year F award has been approved for \$425,920.

The following activities, as detailed in the application, have been approved to move forward:

- To design and construct sidewalks and curbs on Oxford Street from the intersection of Oxford and Montrose to the intersection of Oxford and Weymouth on the south side of the street, including nine driveway crossings, 10 ADA ramps, four crosswalks, and six pedestrian signs.
- To design and construct sidewalks and curbs on Kenilworth Avenue from the intersection of Kenilworth and Waverly to the intersection of Kenilworth and Argyle on the west side of the street, including 10 driveway crossings, one ADA ramp, one crosswalk, and two pedestrian signs.
- To reconstruct sidewalks and curbs on Clermont and Montrose from the intersection of Clermont and Strathmore on the west side of the street to Clermont and Montrose and then to the intersection of Waverly on the east side of the street.

Since these funds are administered by the Maryland State Highway Administration (SHA) and have federal and state requirements, I have asked the Transportation Alternatives (TA) Program Coordinator Jessica Silwick to follow-up with you regarding the details to secure these funds.

My telephone number/toll-free number is 410-545-0400 or 1-800-206-0770.
